

The Diocese of Sheffield is called to grow a diverse network of Christ-like, lively and sustainable Christian communities in every place, which are effective in making disciples and in seeking to transform our society and God's world

Oversight Minister East-Central Rotherham Mission Area

An exciting new stipendiary role in an established mission area of three parishes serving a diverse socio-economic context.

We are looking for a priest with a passion for urban mission and a commitment to work creatively to meet new challenges. With Lowest Income Communities funding, we are able to make this new appointment to be based at St James Clifton, one of the most deprived parishes in the diocese, sharing with an ordained colleague in the oversight of the parish churches of Clifton, Herringthorpe and Whiston. The successful candidate will be licensed as Priest in Charge of Clifton and Associate Priest at Herringthorpe and Whiston, and will nurture the whole people of God to realise the Diocesan strategy to be a flourishing and generous diocese that is Renewed, Released and Rejuvenated.
